

Hello, we are Peyton and Harrison and we are the Junior Road Safety Officers for St. Monica's (Milton) Primary School.

GLASGOW CITY CHAMBERS VISIT

In September we went to Glasgow City Chambers with Mrs McPherson for our introduction to being a Junior Road Safety Officer. Over the year we will be running competitions, making displays, talking at assemblies and helping with everything to do Road Safety in our school. We met Chris, our Road Safety Assistant. He will be able to help us with our job and will be coming into St. Monica's later on in the year to visit every class. We also met our Lord Provost Jacqueline McLaren.

**NO
PARKING**

PARKING

Please remember to park safely near our school. Please don't bring your car down to the entrance gate. We will be out at the gates in the morning to remind you about safe parking.

YELLOW ZIG ZAG LINES

It is very important that you do not park on the yellow zig zag lines outside our school. We will be writing a letter to the council to ask if these lines can be repainted.

Competition

We have been asked to organise a competition to design a road safety poster by Glasgow City Council. The winning design from all the schools in Glasgow will be used on Glasgow's 2024 Road Safety calendar. The themes that you can choose from are:

Cycle Safety

Safer Crossing Places

The Green Cross Code

In Car Safety

Walking/Cycling/Scooting to School

We will choose 3 winners from our school to be entered into the main competition!

The colour poster should be completed on A5 paper and should be returned by Wednesday 8th November
